DEDICATION

Because of her vision through which The Fare Fac Sampler had its beginning, because of her untiring efforts in bringing that vision to reality, because of loyalty to the ideals of the school of which we are a part, because of her constancy both as a teacher and a friend, we gratefully dedicate this volume of The Fare Fac Sampler to

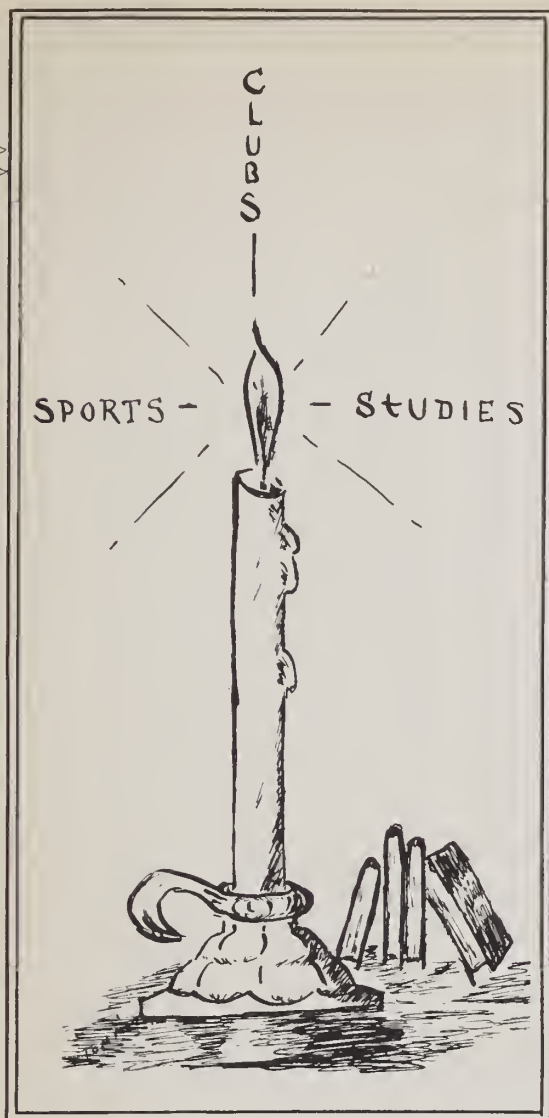

Mrs. Katherine Edmondson Hopper

FOREWORD

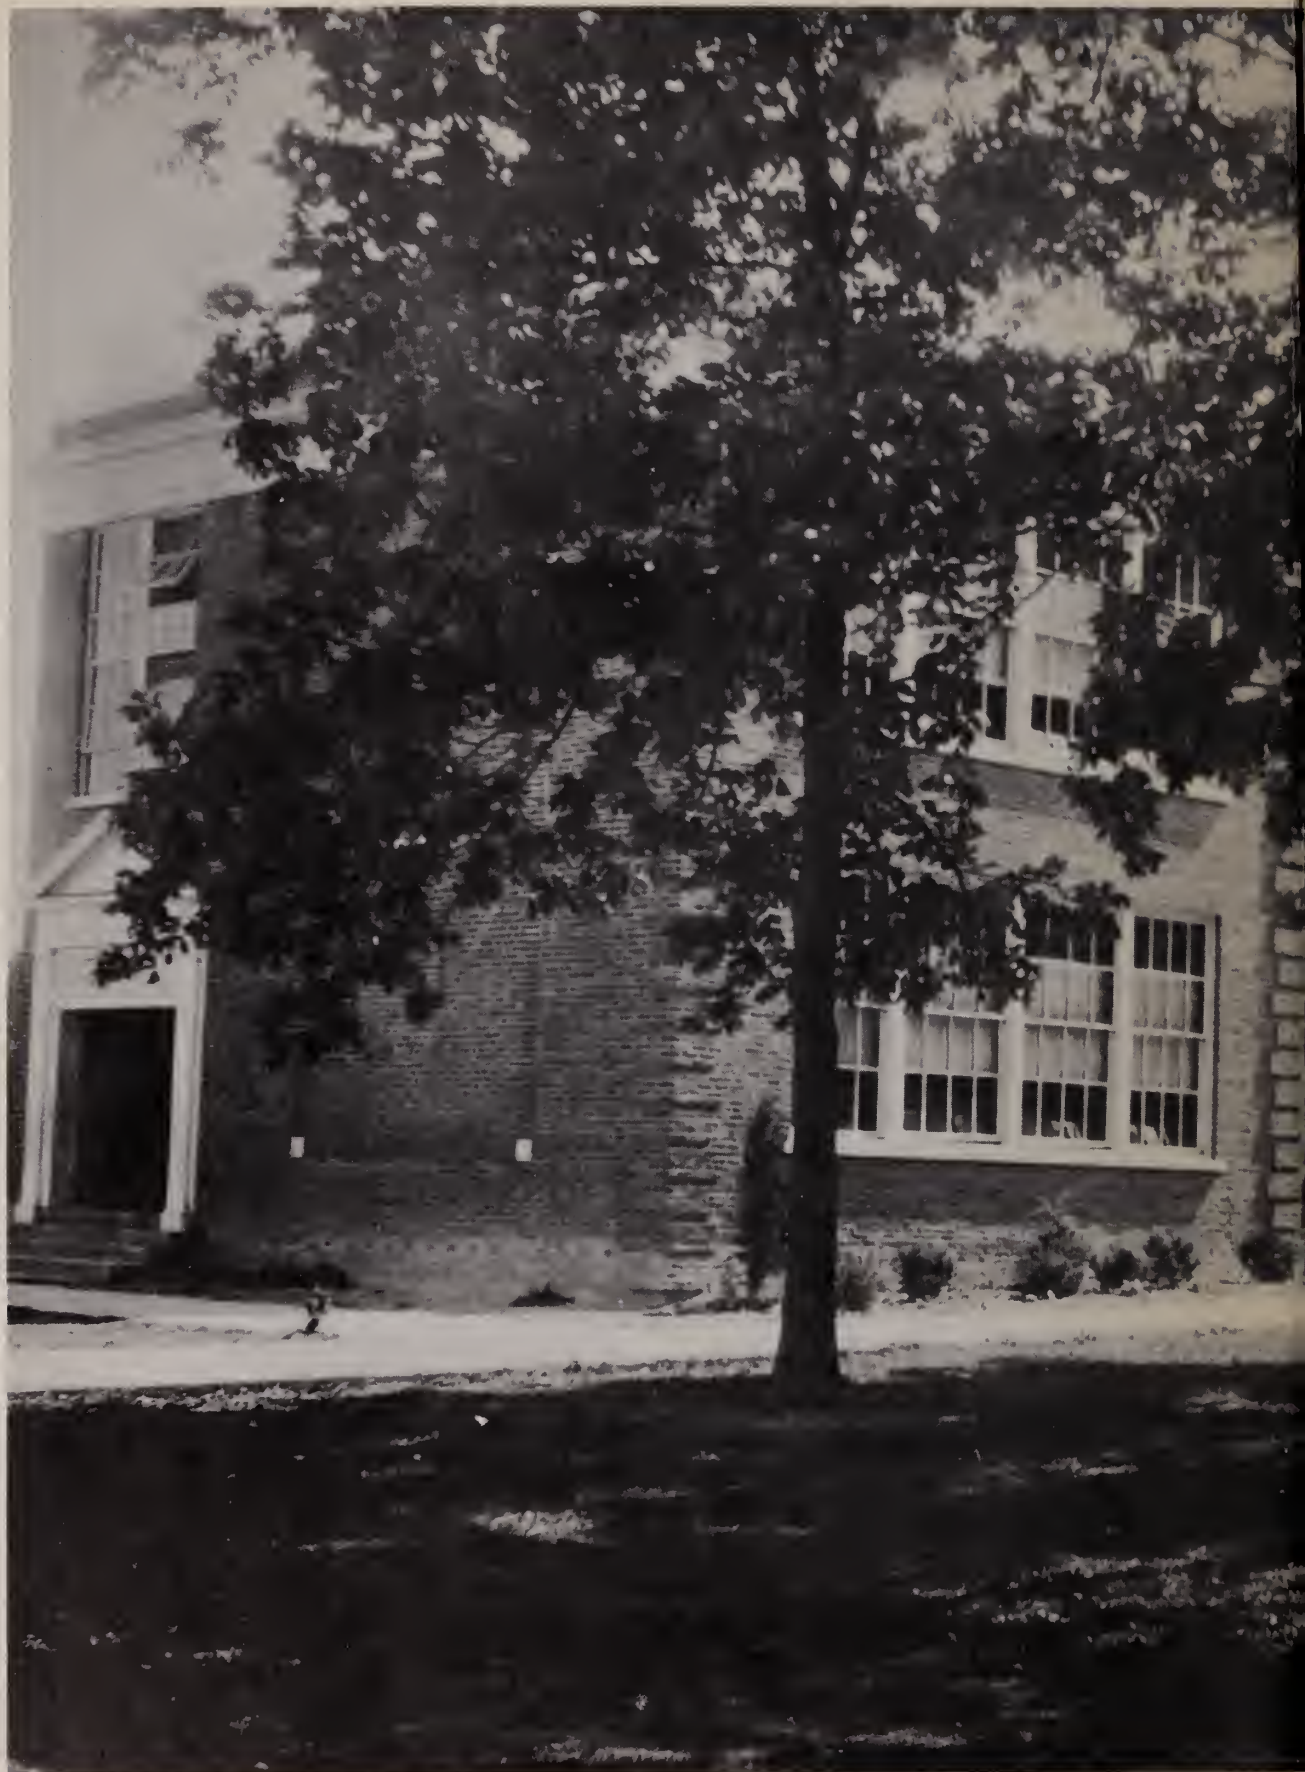

Character, leadership, scholarship--these are the elements of that vision which is finding its embodiment in Fairfax High School--an institution having as its ideal the guiding of youth in the development of those types of behavior that are in keeping with democratic ideals. The Class of 1938 has had as its heritage the example and traditions of preceding classes which endeavored to build in terms of this ideal. With this heritage there has come its accompanying responsibility. The Class of 1938 has put forth honest effort in an earnest endeavor to meet this responsibility, a partial record of which takes form in this, the third volume of

The Fare Fac Sampler

*Gordon E. Smith
June 7, 1938*

The school may be considered as a social institution whose ultimate purpose is the perpetuation and re-creation of society through the development of the individual. To accomplish this purpose, integrated and cultivated personalities must be developed in such a way as to create such emotionalized attitudes as will function in desirable ways of living compatible with the ideals of a democratic society. Thus the educational program of the school must be one that is as broad as life itself.

PERFECTION

Blue and misty are the mountains
Which in the background lie,
And brightest gold the wheat fields,
They, with the sunbeams vie.

Green and shady is the valley,
In this gorgeous setting placed,
Where the windings of the river
Their silvery course have traced.

In this place of rarest beauty,
Life's finest gifts are found;
Peace, rest, and fellowship of man,
And joy the whole year 'round.

Athletics

James Brownstein
President

Jimmy Brownstein

The Athletic Association of Fairfax High School has been organized this spring to promote, finance, plan and execute the general athletic activities of the school, both interscholastic and intramural. It is hoped that through the endeavors of this organization the school, with the assistance of interested patrons and friends, may immediately raise one thousand dollars to be used in equipping a football team to represent Fairfax High School next fall. May we ask pupils, patrons and friends to lend a helping hand?

Oh, Fairfax High we'll work for thee,
Thy name we'll ever praise;
And with our love and loyalty
Your merits we will raise.
Oh, Fairfax High, our Fairfax High,
Thy name will ever live;
In unity--we'll offer thee
The best we have to give.
Oh, Fairfax High we'll fight for thee
And conquer every foe;
And whether loss or victory
Good sportsmanship we'll show.
Oh, Fairfax High, our Fairfax High,
In years that are to come,
May we restore forever more
The good that you have done.

The definite realization of this edition of the Fare Fac Sampler is a result of intense interest, and a fine spirit of cooperation shown by business, social, and personal friends of Fairfax High School whose names as individuals or groups we are glad to have on our pages; and to whom we hope the same spirit will be returned by readers of this book.
